*Another chapter* of the story...

It's hard to believe that this will be our 5th Valentine's Dance...four years since this group of friends celebrated the milestone of turning 50 by hosting our first Valentine's Dance. How generous you have been each year! In total, almost \$250,000 has been donated to **African Leadership** through this event. Those donations have funded Bibles for pastor training, orphan care in Malawi, microloans in Gulu, Uganda, a childcare facility in Khayelitsha, South Africa, and partial funding for a vocational school in Kibera, Kenya. This year, in addition to supporting pastor training and orphan care through African Leadership, we are also highlighting and supporting **Amazima Ministries** through **147 Million Orphans**. Learn more about them at [www.Amazima.org](http://www.Amazima.org) and [www.147MillionOrphans.com](http://www.147MillionOrphans.com).

This past summer, two women from our group went to Africa for the first time and saw with our own eyes the severe and pervasive needs that exist. We were touched to our core as we visited the vocational school in Kibera, saw the plaque acknowledging our group's part in the funding, and were greeted by the pastor and school leaders. We were humbled as they asked about our friends and the dance we have each year. We felt that we represented each of you when the pastor turned to us and said "Thank you for dancing for us."

And so, we thank you, our friends, for continuing to dance with us. We hope you can join us again this year!

Come join us for hors d'oeuvres and dancing,  
to celebrate
